

# Virtual Bingo

## Activity

### Objective

Having fun while reflecting on some challenges in video conferencing in a humorous way

**Time: 5-10 min**

**Participants: 10-50**

### Process

Prepare an appropriate bingo sheet that you can email to everybody ahead of the call.

Then ask participants to tick off if any of sentences on the sheet have been said (and by whom).  
If a participant has five in a row- they are winning the bingo!

Here are some examples:

- Sorry i was on mute
- ...., are you there?
- Hi, who just joined?
- Child or animal noises
- Uh, you are still sharing...
- Hey guys, I have to jump to another call
- Hi, can you hear me?
- (for overtalkers) Sorry, go ahead.
- Sorry, you cut out there...
- I think there is a lag...
- Sorry I was having connection issues...
- Can everyone see my screen?
- Can everyone go on mute?
- Hello? Hello??

Feel free to make up your own Bingo Sheet - you are also ask participants to create one ahead of the call.

needs audio for participants
